

AlloQuent Structural Allografts are precision-machined cervical and lumbar spacers processed exclusively by MTF Biologics. The large footprint and anti-migration ribs on the upper and lower surfaces secure placement.

Hydrated, ready to use packaging. Preserving the mechanical properties of the allograft while eliminating preparation time.

AlloQuent Cervical

100% Cortical allograft | 5° lordosis | Footprint: 14mm x 11mm

Order Number	Description
3W3005	5mm AlloQuent Cervical
3W3006	6mm AlloQuent Cervical
3W3007	7mm AlloQuent Cervical

Order Number	Description
3W3008	8mm AlloQuent Cervical
